We need to have your awards sheets returned by May 14, 2021....no later!!! We need time to get the certificates ready for your recognition during the ceremony. If you do not have your awards attainment form turned in by the date above, you will not be recognized for your awards during Sr awards night unless you are a recipient of one of the local North Mason Foundation Scholarship awards. In that case, the scholarship committee will contact you to notify you of your respective award from the respective organization awarding the scholarship. Any awards attained outside the Foundation must be reported on the form that will accompany this Sr bulletin addition.

### PROM

Prom is coming up on May 15th in Allyn. Please note that this is **NOT** affiliated with the North Mason High School but is for all NMHS seniors and juniors, plus their dates. We are fundraising to cover the entire cost.

### GRADUATION UPDATE!

Graduation is June 11th at 7pm. We will be having a practice graduation on June 11<sup>th</sup> @ 9am in the Stadium.

What is expected as of now:

- Graduation will be at the stadium
- Each student will get around 2-3 tickets
- Keep in mind that if we go back to phase 2, we will be having a drive thru graduation

Girls, it is recommended to not wear heels since we will be having graduation on the turf field. With heels it will be very hard to walk on the turf and it would suck to take a tumble on your special day!

We have 2 spots open for people who want to give speeches at graduation. You will need to make your speech and get it approved. The details on who you are turning it in to and the due date will be given ASAP.

## **College Information**

### **Virtual College Presentations:**

#### **Seattle Pacific, Seattle**

Here are a few updates from SPU:

**Campus Tours:** We are excited to announce that we are re-opening for limited, appointment-only, in-person campus tours exclusively for admitted students. Visits will look a little different, but our visitors, staff, and students' health and safety have been, and will continue to be, our highest priority. We hope to offer campus visits for all prospective students soon! We will let you and your students know when they become available.

**SPU's plans for the fall:** As we assess continued efforts at the federal and state levels with both mitigation and vaccination programs, we are optimistic that the current trends will provide us the opportunity to meet **our goal to return to in-person instruction, housing, and campus activities for the fall. We will continue to provide updates as they become available.**

**Live Virtual Events:** We are still hosting a variety of live virtual events to help students in their college search process. Take a look at our [Visits page](#) to view all available options.

**Parent and Family Resource Page:** As you know, one of the major decisions a family will make is where their student will go to college. We created a resource page to help families learn more about SPU, the application process, and next steps for when their student is admitted.

Lastly, don't forget to check out our [High School Counselor Resource page](#)! Here you will easily find information as you help students explore SPU. We also appreciate any feedback you have to help make this a more helpful resource for you.

Please know how much we appreciate all of your efforts during these very challenging times. If you have any questions or feedback, feel free to contact us. We would enjoy the opportunity to connect with you!

## **Portland State University**

Good news! We are safely reopening our classrooms for in-person instruction this fall at Portland State University, and we're doing everything we can to make sure your students can join us — **no stress required**.

That means students can apply to PSU for free through June 15 and we have temporarily [lowered our GPA requirements](#) for high school applicants. We're making it easier for students to come to PSU, because we know that COVID-19 upended their lives and disrupted their education in countless ways.

You and your colleagues play an important role in guiding students through their college search process and we want to do whatever we can to support you in your efforts.

### **We're making PSU possible for more students by:**

- Waiving our application fee through June 15.
- Temporarily lowering our required GPA for high school applicants.
- Giving housing discounts to low-income students.
- Helping students prepare for college over the summer.

### **[Learn more about Open for Fall, Open for All.](#)**

Thank you for your commitment to your students and their education and to Portland State University! We value our partnership with you and meeting your students.

### Jobs and Careers

We have put together a video with information about PSNS Work study, helper, and apprenticeship programs along with some info about USA Jobs, resume writing and applying for positions. This video is about 20 minutes long and gives much of the same information I give when I come teach the classes in person. <https://www.youtube.com/watch?v=2eesWY5MkPE>

The work study announcement has already taken place this year, but this is good information to help the students who may be interested in applying next year.

The helper announcement is not currently open, and I do not have a date yet when it will be, but we also have direct hire capability. If you have students who are currently 18 and interested in a helper position, I can collect resumes and forward to the shops they are interested in. If a hiring manager is interested in speaking with them about a possible position, they will reach out to them.

Let me know if you have any questions.
