ABSENCES, TARDIES, EARLY DISMISSALS, OR MESSAGES TO STUDENTS!

277-2218

Parents, please help us! Because we care about your student and make every attempt to provide an uninterrupted learning atmosphere for students to learn and teachers to teach, please be diligent in allowing ample time to request early dismissals and messages, etc. If you have not informed the school that you will be picking up your student early, please plan accordingly as it may take several minutes to request your student from class. Send a note with your student for early dismissals. We will have your student waiting for you at the appointed time.

Messages need to be left on the message line no later than 1 pm! On collaboration Wednesday, please leave messages by noon so that we have sufficient time to get the messages out to the students as we have aides available in the office. Messages will be given to your student at the beginning of each class period to avoid classroom disruptions. Thank you for your help in this matter.
